LENNOX ADRIPT.

SAN FRANCISCO, August 2.—Seven men from the disabled transport Lennox, bound from Manila to this port were picked up at sea in a small boat off Piedras Blancas lighthouse at 7:45 o'clock Wednesday evening by the steamer George Loomis, en route from Ventura to this port, and brought to San Francisco. The men bring a story of a broken shaft, death of provisions, and the drifting of a helpless ship in the current that sets down the coast. The big transport tug Slocum, which is always kept in readiness for such cases of emergency, was dispatched by General Long in search of the helpless Lennox, leaving port before 2 o'clock, in command of Captain Harry Marshall.

COPTIC FROM COAST.

First of Oriental Fleet to Move Since Strike.

The Coptic, Captain Rinder, arrived from San Francisco earlier than usual yesterday afternoon, being sighted about noon and docking shortly after 3 o'clock. She is the first of the Oriental fleet to start since the strike of stevedores and teamsters was inaugurated in San Francisco.

To what extent the strike will affect the America Maru which was in port when the Coptic left, is uncertain. It is very probable however that the Japanese liner will be able to depart on time too, as she will work her cargo with her own crew. This was what the Coptic did. The Chinese and white members of her crew turned to with good will and had the vessel loaded with a big cargo of freight in time to start promptly on the afternoon of August 2.

The Coptic passed the Philadelphia, Petrol, Benington, Peking and Kilpatrick. The transport is expected to reach port today. The Coptic remained in port until noon today when she departed for the Orient. She had a boat drill shortly after her arrival in Honolulu.

AN AGGRESSIVE BISHOP.

Bishop Courtney of Halifax, N. S., recently knocked off the hat of a man in the street who failed to take it off when a band played "God Save the King." At first the man was inclined to prosecute the bishop, but finally contented himself with writing a letter to the Halifax Herald, saying that while he yielded in loyalty to no man he did not deem it necessary to remove his hat when on the street every time he happened to hear the national anthem. Public opinion in Halifax appears to be against the Bishop.

Office of CARROLL WHITAKER, Attorney, Hilo, Hawaii.

Hilo, Hawaii, June 7, 1901.

Dear Sir: In my innocence I purchased here in Hilo a jar of your PIN-MONEY PICKLES (put up by Mrs. E. G. Kidd, Richmond, Va.) It brought me great trouble, and one of three things must occur:

1. You must stop making them; or,
2. I must get them at less expense; or,
3. I'm a ruined man.

Since my first venture I've had many "jars." My family from early morning "Pickles" neighbors ring the doorbell and shout "Pickles," relatives visit me in expectation of "Pickles." Your pickles are my Nemesis. Please, Dear Sir, quote them by the Keg, Barrel, Hoghead, Ton or Shipload, and "preserve" me.

Yours very truly,

CARROLL WHITAKER.
